Leaving for Belgrade, where Sunday, September 28th they will take part to a stage of the European Cup, Filippo Battistoni (category over 100 kg.), Michele Damiani and Alessandro Binucci (8 kg.) - at the top of the national ranking - will try to acquire a useful score in order to enter into the European rankings, but the achievement will not be easy. "The guys are aware that the competition will be difficult - says the coach Giulio Famà - but they are well prepared and have worked during all the summer in order to make a good impression and they are ready to distinguish them in the competition". From the teammates... Good luck!!
