Two bronze medals won by Gloria Giacomucci and Riccardo Tartaglini: this is the booty of the Umbrian club of Spello at the competition held in Lazio: for both, three fights faced with full power. Two victories for Riccardo and Gloria, result of a stressful race, which lasted over seven hours, an impressive tour de force. Good performance also for Tiziano Meniconi who placed 5th and Carlo Kallcishta who finished the competition with one victory and two undeserved defeats. Nothing to do, however, for Klevis Zeneli who lost the first meeting, probably because of the pre-race stress.
