The athlete of the Kodokan Spello does not suffer the change of category and at the final held Sunday, March 20 at Ostia she was only one step away from the medal zone, stopped by the strong Piedmontese athlete Simeoli, who finished third. Three matches won by the athlete of Spello who, not at all intimidated by her opponents, managed to impose her judo: at the fourth round she doesn't interpret correctly the tactic to follow and must give up in front of the cunning and tenacity of an athlete repeatedly medalist at the Italian Championships. In the recovery round she loses concentration and gives the victory to an athlete definitely within her reach. Embittered for the ninth place in the ranking, Gloria promises to train for the upcoming Grand Prix races: she will workout with more commitment to try to get to the top of the rankings of the National Ranking. Nothing to do for Carlo Kallcishta that leaves the stage in the first round, losing against an athlete of the Akiyama athlete of Turin.
