For Alessandro Binucci (CUS PERUGIA) yesterday was a day to forget at the National University Championships held in Milan. In the first round he lost against Micelli (2nd place) of CUS Torino and in the second fight, a daring action gets him out of the race for the podium. Excellent, however, the performance of Michele Damiani (CUS CAMERINO) in the 90 kg category, but in the encounter of the semifinals an arbitration oversight prevents him to fight for the gold. In the fight for the bronze, Michele led an excellent race and conquered the last step of the podium. Nothing to say about the final fought by the athlete of Spello Filippo Battistoni (CUS PERUGIA) who lost against Luca Marmo just for a passivity. Still in the 90 kg, Giacomo Gramaccioni won the first round by ippon, but an ankle injury that made him lose the second round.
