Great fifth place for Alessandro Binucci in the 73 kg final of the Italian under 23 championships held in Lignano Sabbiadoro Saturday, October 26. A difficult category, which saw the participation of the strongest athletes in Italy today, valid as selection for the European under 23 Championships, that will take place in Prague November 16 to 18. At the end the winner was the absolute champion in charge Meloni, athlete of the Gold Flames. A fantastic match was fought by Alessandro Binucci, marred only by a smear in the match for third place, where he succumbed to the golden score, when the result was overwhelmingly in his favor: four matches won and two lost, that the final balance for Alessandro. Good 7th place for Manuel Paccioia in the category over 100 kg, but nothing to do for the athletes Michael Balzana, Michele Damiani and Andrea Biasin which all lost in the first round against opponents that had already won medals at the national championships.
